STREET FESTIVAL IN KÖRTINGSDORF

“Together for a lively and diverse neighbourhood!”

14.06.2025

14:00 - 20:00

Dear neighbours,

Our Badenstedt-**Körtingsdorf** district is changing - with the upcoming renovation work, we are facing challenges, but also new opportunities. That's why we want to set an example: Let's celebrate together, get to know each other better and show our diversity!

On **14.06.2025** from **14:00 - 20:00** we are organizing a big street party in Körtingsdorf, where everyone has the opportunity to bring in their culture (*living environment), traditions and talents.

Let us introduce ourselves!

We are a network of committed people and organize the street festival in Körtingsdorf.

The network includes the Gebrüder-Körting School, the Petermannstraße Family Center, the AWO all-day school (in the GKS), the GKS inklusiv e.V. association, school social work (GKS), the Körtingsdorf neighbourhood management of the city of Hannover, the district council (Ahlem, Badenstedt, Davenstedt), the Intercultural Cooperation and Communication Group (IZUK, GKS), “Together for a beautiful neighbourhood” (MsV, Hanova) and the GKS support association.

What is it about?

We want to enliven our district with a colourful festival and show how diverse and lively our neighbourhood is. Whether through food, music, dance, crafts or games - everyone can contribute something!

We need you!

To make the festival a success, we are looking for committed neighbours to help out:

- ☐ Stalls & contributions: Would you like to take part with a food stall, a performance or a creative idea?
- ☐ Helping hands: We are looking for volunteers to help set up, organize and run the festival.
- ☐ Donations & support: Who can contribute material, decoration or similar for the implementation

What are we planning?

- ☒ Culinary diversity: Bring a traditional dish from your culture (*living environment)!
- ☒ Stage program: Musical, dance and cultural contributions - join in!
- ☒ Children's program: games, crafts and activities for the little ones.
- ☒ Creative stalls: art, crafts and more - show us what you can do!

Let's strengthen our district together, bring the neighbourhood together and celebrate an unforgettable festival!

Get in touch at **koedo455@web.de** if you would like to take part.

- Every help counts! -

We look forward to seeing you!
